Invitation

Print on cardstock and cut out.

Banner

Print, cut triangles out, punch holes in corners, thread ribbon or sting through holes and hang up.

Football Squares

Print the square grid. Have guests write their name in the square or squares of their choice.

Watch the game and at the end of each quarter match the last digit of each teams score with the grid.

Example: At the end of the first quarter Iowa has 17 and Stanford has 14. Go to the lowa top row of numbers and find the number 7(last digit of 17) then go to the Stanford left column of numbers and find the number 4 (last digit of 14) find where these two numbers intersect on the grid and the name in that square wins the first quarter. You will follow this step for all four quarters. Traditionally players purchase squares, but for a family friendly event, the host may want to have some fun prizes for the winners.

Football Bingo

Print on cardstock and cut out. Use M&Ms, dried corn, stickers or other objects to mark off squares.
